I will miss my chats with Nancy and her sweet smile. She has left a hole in our family at Church that will not be filled but we are thankful our hope is not for this world but the next. This goodbye is but for a moment, until we meet again.

To Nancy's family, I was so sorry to hear of Nancy's passing. She has been such a wonderful part of the Hope City Church family and we all love her very much. She always had a smile in spite of her struggles. She will certainly be missed but we are thankful that she is now at perfect peace. Please accept our condolences as we know she will be missed by her family.
