For the short time I knew Arley he is a person you don’t forget, his sense of humour was contagious. Arley and Jenny made our camping days a pleasure. It was so nice to meet a couple that seemed like friends from the first visit. I know how much Jenny you were in love with this man. I am saddened by the news but did see your posting during Arley’s time in the hospital. I too were praying for you all. God has called him home and he will watch over you and comfort you and your family until it’s your time to join him. Please reach out if you need to talk. Let us know when there will be a celebration of life because it definitely is a man to celebrate. Love Pam,Eric and Kim.

My condolences to the family during this difficult time. Jenny, I remember when you started dating Arley. Your Mom was so proud. I still remember the gleam in her eyes as she talked about him. She was happy that you were happy. You and Arley lived out your dreams together for many years. Take comfort in knowing his dreams were fulfilled too. As days go by, his love for you will be evident. Your memories will sustain you. Love, Dar

Dear Jenny, Catherine & Joe, and Lyle, I am so sorry to hear of Arley’s passing. I have many fond memories of Arley and Jenny from Moonstone, and of celebrating your 25th anniversary on your farm. Arley was beloved to the students and to the staff of Moonstone. He will be missed, but always be remembered for his kindness and caring. Hugs, Sheilagh and Peter Helleman
