Steve and family. We are so sorry to hear about your dads passing. Peter and I worked with Bruce for many years at Frank Casey P.S. He was such a good guy and loved by his teaching friends and students. So many memories we have of the good times we spent with Bruce in our younger days. We want you to know that your dad will never be forgotten Our deepest sympathy. Donna &Peter Bain. **Donna Bain** August 20, 2018
