

GEOFFREY ANDREW PATCHELL

I had the pleasure of working with Geoff when he joined the Oro-Medonte Fire Dept. He was always eager to help out, and his kindness touched many people. He will be missed, and his kindness will spread sunshine through his next journey.

Saying goodbye to someone we love is heartbreaking. May you find comfort in all the special memories shared with Geoff, who was a very special soul, one that was kind, loving and generous. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. Our deepest condolences.

I've had the pleasure of working with Geoff, "Patch", for almost twenty years. His love of life was apparent every day we spoke. If it was chatting about the fire department, his Buffalo Sabre's or his love of family, he was a man who often thought with his heart and put others first. Although his soul may now be with the lord, his infectious laughter and cherished memories will always be with me. My sincere condolences to the Patchell family, may you find the peace and the contentment in knowing what a fine son you raised. Geoff was and always will be a special part of our thoughts.

Mom: I want you to know that in my heart this young man was and is a hero to me. He came to my house back in 2009 on an emergency call to my home. Your son did not give up. He was very clear about that. A good man in our time of need. I cannot begin to feel your sorrow but I do know you can be very proud. Very proud! He later trained me in a cpr course and I was honoured to see him again. I got word of this and just had to reach out and send you this. My heart and very big condolences to you and your family at this time.

Mr and Mrs Patchell; I was surprised and saddened to hear of the loss of Geoff. I'd not seen him in a few years but remember him fondly from my time as Chief of Oro-Medonte Fire. Geoff was always quick to volunteer and to show up and work whenever he was needed. He was kind and honest, respectful and faithful to his friends and community-traits that aren't nearly as common as we'd all like them to be. These things set him apart and made him stand out in my mind years later. I am indeed sorry for your loss and will have your family in my thoughts.

Laurie, Greg and family, our deepest sympathies to all of you on the sudden passing of Geoffrey. Geoffrey carried on the Patchell family's history of always being their to help our family at the cottage. as "Doc" Patchell responded to any medical emergency at any hour, so did Geoffrey respond to any Mr. Fixit emergency in assisting our father. Whether plumbing, carpentry or heavy lifting, Geoffrey always came running when our father called. All of us will miss his helpful can-do attitude, his wit and his amazing ability to laugh at the messes our father created, but which Geoffrey did his best to salvage. Woodland will not be the same without him. The Thompson Family

A message to Geoff's family I was sad to read about Geoff's death in Orillia Today and didn't realize when I read it that the funeral was last week. I wanted to tell you that Geoff was a Peer Helper in a group that I ran at Park Street Collegiate. Geoff was one of the finest and most committed members of that group. Not only did he help out when asked he looked for ways to make things better for students who were struggling either academically or socially. He was in touch with me occasionally after he left school to just talk about how he might help out a co-worker or friend. I could tell from the obituary in the paper that he continued to think of others in different ways. My condolences to all of his family and friends.
