Thinking of you all at this time. My thoughts and prayers. Albert was always a jokester and am sure he would want it that way.

It would like to send my condolences to the family. My parent always referred to his as Ab. He was my first mechanic and towed my vehicles out of various scenarios. He was such a nice, friendly, gregarious man. My parents always thought very highly of him.

Albert, you will and are greatly missed. You will forever live in our hearts. You are truly a family man and shared your knowledge, laughter and kindness to all your many brothers and everyone whom entered your kitchen. Thank you for always being there for when Aubrey needed his car fixed, Bert trusted you and Roy immensely. Most of all, thank you for being Aubrey's best man at the wedding. It meant the world to him that you and Dolly were able to make the trip. Love Lei and family. Condolences to all the family.
