June please accept my sincere condolences on the passing of your beloved Herb. Herb was always a gentleman and enjoyed his work in the community and his lodge. He took everything seriously when it pertained to his work but also enjoyed a little fun as well . I am sure that the proudest times in your life was when you married him and when you served as a team for the Grand Lodge of Ontario and the Rebekah Assembly of Ontario. I am glad to have known him. He will be missed.

My deepest condolences, June, Mike and Rob (and family) in the loss of Herb. I always found him personable and easy going and so he was hard not to like. In more recent years, he struggled with health issues which, I suspect, made it difficult for his family and so in that sense, perhaps, his passing was a blessing. He will be missed by you, all of the Ritchie family and the wider community and church. May you find consolation in your faith and trust in the Lord. Blessings

Our deepest condolences June to you and your family. We just heard about Herb. We didn't know Herb very well, only meeting him when he entered Hillcrest and had his meals with my dad. He had a wonderful smile and a gentle demeanor. I myself took to Herb right away. I'm so glad I had the opportunity to meet him and you. Cherish the memories and he will remain close to your hearts always. Our thoughts and prayers are with you at this time. Cathy & Roger Reid, Ron & Rick Windross
