My deepest condolences, Joan, to you, your boys and grandchildren in the passing of Bob. We all knew he was ill but, perhaps, not how far along he was. Regardless of how it sometimes sounds, I suspect his death was a blessing - certainly, for Bob, who's had a long struggle with health issues and can now enter into eternal rest. Know that you have my sympathy, Joan. And also to the Johnston family of whom I know Karen and Dave best. Blessings
