

ROBIN LYNNE CORMIER

Dear Paul, Grace, Ken Nancy, families and her dearest friends. I am so saddened to hear of Robin's passing. Robin has an infectious laugh, a beautiful smile, a twinkle in her eyes that spoke louder than words. She was generous with her time and care for others. Grace, she loved you more than anything and will be with you forever. I pray that your grief will be replaced with your cherished memories. May God bless you all. Brenda
