Dear family of Elva, My condolences to all the family. I saw notice of Elvas passing on the board at Lynn Stone funeral home and was saddened. Just last week as I was driving past the cemetery in Waverly I wondered if Elva was still with us. Was going to stop and check out the grave marker but there was quite a lot of traffic so thought I'd do it another time. Elva was a wonderful woman and I'm pleased to hear she lived such a long life. When Elva was living in Barrie she volunteered on Friday mornings at Collier Street United Church collating the church bulletin (600). We got to know each other as I worked in the office. She had such an infectious laugh and she brought a lot of positivity to the office. When they moved from Barrie I saw her a few times and then we lost contact. Elva and Ron are now together again after many years apart. What a reunion that would be. My sympathy to all, Dianne McKnight (I am now living in Elmvale)
