CHARLES ARTHUR FORESHEW

We loved your dad/husband and our group of 6, every week get together. We will miss his laugh too and when he was drifting off in a chair and wake up with “Ok, time to go”. Our prayer time was special when we would lift our requests and praise to God. His stories of his projects, family, and cottage life. Our memories of him will be shared and remembered till the day we leave this life behind. Blessings to your family and thank you for sharing him with us. Dave and Maggie

We are so very sorry to hear of Charles’ passing. He was a neighbour who always managed a greeting and/or a comment on the weather as we passed by with the dogs in tow. Our condolences to the family for your loss and prayers for strength during this difficult time. Thank you for such a beautiful eulogy for Charles, it is so telling of the love and gratitude family has for this man. All the best during your time of healing.

I'm so sorry to hear of your loss. I remind myself of a conversation I had with Gail who said, it is really upsetting to lose cousins, and now we lost another . My favorite memory of Charles is doing a cruise on his pontoon boat on Lake Caribou. We're praying for you all as you go through these difficult days. Paul Robertson
