Sad tp lose another of the old guard. He was a real old school gentleman, a beacon of common sense and never shied of sharing his opinion. Fun fact,.....on our very first visit to Midland we arrived by boat and old Ev was dockside with a white buggy and a team of horses and proceeded to give us and our dog, Carver a tour of all the murals around town and shared all his “Dad jokes”. Even Carver, the dog groaned. Sincere condolences to all the family. Gord & Ron

Sorry to hear of Everett's passing. I did not know him very well but thoroughly enjoyed visiting with him from time to time. He was always enthusiastic about telling stories. I remember with great delight the stories about our family! He could remember and articulate them so well.....I will miss those special times. With our sympathy cousins, Murray Greaves and Betty Lou Carr.

Sending heartfelt condolences to the Marshall family. Everett was loved by everyone. It didn’t matter your age, Marshall loved people young and old and would chat you up in the sweetest kind of way. I met Everett through his friendship with my Dad (Ray Piitz) and the love for country music they shared and times working together on occasion. Like most people who knew him, I will always fondly remember the wagon rides and his calling of square dances. He was an awesome man, a true gentleman! . Cheri Lowe

Ev will be missed. I worked with him at Discovery Harbour for 3 years and have many fond memories of him. He nicknamed me pacer Pete and whenever I heard pacer ; I knew it was him calling me. My condolences to his family. He was a great guy.
