‹It was with great sadness and regret that the tragic news of Dale's passing reached me today. Dale was my friend and neighbour; we were neighbors at the farm for many years. I will miss his friendly conversation and the briefings he provided me concerning local matters and the fine points on raising prize cattle. I extend my heartfelt condolences to Ariel and the rest of Dale's family. I understand the sadness they must feel at losing someone irreplaceable. Sincererly Renzo Belluz 3145 Baseline Rd. Elmvale

Brenda and family, I'm so sorry for the loss of your dad. I will always remember how he thought outside the box. How else would he have come up with a plan during a snowstorm to get me to your house for a play date? That was who he was, thoughtful, resourceful, and always willing to help. I know how much he meant to you. I'm keeping you close in my thoughts and sending you all my love. □ Mae

To the Buchanan family, I am sending you my deepest condolences. I feel incredibly fortunate to have claimed Dale as my 'Work Grandpa' during my time at Springwater. Dale was such a genuine soul, and that is something I will always remember about him. His personality, kindness, sense of humour, and the support and friendship he showed me over the years meant more than he probably ever knew. He was simply one of those people you were always happy to see. I know how much Dale meant to those closest to him, and I hope you can find some comfort in knowing how highly he was thought of by the people whose lives he touched. He was truly one of a kind and will be greatly missed. My thoughts are with all of you during this incredibly difficult time.

Ariel, I am so sorry to have learned just today of Dale's passing. His obituary is so beautifully written and reflects the deep love he had for family, farming, and friends...it also reflects a life truly well-lived. Our Jones family has fond memories of the many reunions that were held at the Miller home farm in Oro-Medonte. It always felt so good to have that opportunity of going back to our "roots" and sharing a meal with our aunts, uncles and cousins. While time and distance have scattered us in different directions, we will try to reconnect with you again soon. Take care, Ariel. You and your family will be very much in my thoughts and prayers in the days to come... With love and (belated) condolences, Marilyn (cousin)
