Heather , I am so sorry to hear about Peter passing. I have many fond memories sent with Peter either in his store across the street from our store Homecoming. He was a great help to me when we decided to open the Farmers Market May they have many garage sales on the other side. God bless you Peter Friend Bob Simmons

Sending my heartfelt condolences. I first knew Peter from Three Schools of Art and after when I worked part-time at Jesse's Cafe. Such fond memories, it was a great time working and renting the art studio just around the corner. I was remincing about those days and just happen to click his name and his abituary came up. Hope all is well with his family, hi to Ken
