MARJORIE JEAN PHILIP

I visited Marjorie once a year to collect her membership to Woodland Beach Property Owners' Association. I always looked forward to dropping by and stayed a little longer to chat. I so enjoyed our conversations at the little cottage on Willow Lan.e. I wished I had taken the time to visit her when she went into Waterside. She would have had such wonderful stories of Woodland Beach to share. She must have had a wonderful life and I was comforted to read that she passed peacefully. Marjorie, I am sure you touched many lives, as well as mine.

Tracey Price, Woodland Beach Property Owners Association

Marjorie was my dear friend, and I will miss her. She made the world a much better place, was always happy to see friends and loved her family dearly. When someone passes and that someone loved you, it is a sad day. Bless you my friend on your next journey. The world will miss you. xo
