DONALD KENNETH PULFER

To Don's children and family, on behalf of the Marlwood Men's League and our membership, our most sincere condolences on the passing of your dad and grandad. Hold all your memories close during this most difficult time. Don was a long time member of both the club and the men's league, was an excellent golfer and always enjoyed the fellowship afterwards in the lounge or patio. I can see the tall glass of diet coke and whiskey in front of him now. Rest in Peace my friend you will be sadly missed around a golf course called Marlwood.

Sincere condolences on the death of Don. He was a VP at Macdonald CI when I taught there. I am glad he had a great retired life.

I am so sorry for your loss. I remember Mr. Pulfer fondly and was pleased to see him at the Cedarbrae reunion some years ago. He was instrumental in helping me secure my first teaching job and I am forever grateful to him. May memories of the wonderful times you spent together bring you comfort.
