Aunt Kathy I am so saddened to hear of Uncle Leonard's passing. I so loved him. He had such a great sense of humour and his laughter I can still recall. I ask the Lord to bless you and your family with as much peace and comfort as possible. I was just asking about him the other week and to know he has gone home to be with his siblings is a peaceful answer to me. I'm living in Alberta now close to my son's family. Find peace knowing he'll be watching over you all and he is free from all the burdens of this world. I love you all and are thinking of you during this sad time.
