I was sorry to hear of Dave's paaing he fought a great battle..I met the Stewarts when my late husband and I moved to Barrie in 1980. Our sons went to school together and became friends. Shirley and I became friends I still miss her so much.after twenty years. Ginny was seven then and we bonded when she came to my house a lot we lived four doors from them. I never thought at that young age she would become my daughter-in-law. (daughter). I have three sons I am honored to have her in my life also because she gave us along with Dave and Shirley two wonderful granddaughters and three great-grandchildren plus one on the way.. Ron and Shirley never got to see these great-grandchildren however I liked to think they are both looking over them. keeping them safe. Now Dave has joined them.

So sorry for the loss of a great neighbour and friend and coworker from the Dana days. Alway enjoyed Conversation with Dave when we met on the street. He always had some sort of Dana a-tire on. We always had a little chuckle about it. Great guy.

Hi Audrey, It is with deep sorrow that we mourn the passing of my old school pal Dave. He showed his true colours when he befriended me on my first day at St.C.C.I.&V.S. when I most needed help he took me under his wing, shared his lunch with me and showed me the ropes. I told him my nickname was and from then on I was Ticker to Dave. Great memories of a wonderful man. A friendship that was rekindled in later years due to our parents keeping in contact. Goodbye my old pal from Ticker -Geoff and Denise Whittaker
