Deepest sympathies on the passing of your dad, he was truly special. He always took the time to visit us at the drug store. As a newbie to the Maple syrup committee, his and your moms name came up quite a few times in the kitchen. "Bob would know that, be had it written in his book" . I know history was important to him and we talked many times about genealogy and town histories. Always very interesting conversation . let these memories bring you comfort and peace. Cherish these . I wish to express my sincere condolences to the Smith and Richie family during this difficult time of Bobby's passing. I met Bobby when we were kids in Frobisher Sask. We were, as Bobby used to say, track brats; his father ran the Pool Elevator and lived on the south side of the railway tracks and my Dad was the CPR station agent on the other side of the tracks, a couple of hundred yards from the Smith home. Bobby was a good athlete and despite being two years younger than I, Bobby used to play hockey occasionally with our older team if we were short of players. When we were young we had a small baseball field in our back yard at the CPR station and Bobby would be

over there in the summer often playing a pick up game of baseball with our other friends. Smitty and Jean had a nice cabin at Kenosee Lake and one summer Bobby invited me to come up for a week of holiday with his family. Bobby's father Allan was nicknamed Smitty and he took us out into Kenosee Lake and Cannington lake in his home built boat, where we caught Perch and Pickerel fish; what a great time. Bobby called me a few years ago and not knowing who had phoned his first words to me were " Hey Terry, get you baseball glove and let's play catch" I didn't know who this was and he then said he was one of the track brats. I then guessed who who had phoned. Bobby and I caught up with each others lives over the phone and we must have talked for over an hour. I regret not being able to see him all of these years. He was a great kid who was liked by everyone and I am sorry he has passed. My special condolences to Harvey, Billy, Terry Lou and Lyle and to Bobby's children and grand children whom unfortunately I have not had the pleasure to know. Rest In Peace my old friend.
