ROSS EDWARD HASTINGS

Sending sincere condolences to Cindy, Shayne, Kerk, Penny and family. Your Father was a wonderful gentle man. I'm so glad that I had the opportunity to work with him at the Township and as a result be able to call Ross my friend. I also had the privilege of sitting on the bench outside Jug City enjoying an ice cream with your Dad while having a good old chin wag —. Rest in peace Mayor Hastings.

Cindy, Kirk and family. We have many fond memories of Ross. He truly loved his community of neighbours and friends from Wyevale and Tiny. Every time that I stopped at Jug City and Ross was there, we would engage in a passionate conversation of the community events of the day. Always aiming to make things better. Our sincere condolences. C

Cindy, Kirk and families. We remember many happy visits with your parents on the dock at Waseosa and Ripple Lakes. Our phone conversations usually started with your mom, but your dad always had a great anecdote to share. It is certainly fitting to read the respectful tribute to your dad from Tiny and the lowering of flags, acknowledging his endless community service. You are in our

thoughts. Cousin Heather (nee Little) and Doug Wice

Cindy, Kirk and family please accept my condolences on the loss of your dad. As a Wyevale gal, I knew him as a neighbour and Mayor of Tiny. As a long term employee of the County of Simcoe, I also knew him as a County Councillor and Warden. I also remember those coffee meetings early in the morning in Wyevale with the two Ross' and Bill Marcellus. I think I can say on behalf of my long retired county colleagues that Ross was one of our favourite Councillors/Warden. I know he will be missed. Kim Webb LaBrash

So many great conversations with Ross over the years. Still remember my dad telling me that if I was going to be a businessman I had to have a note pad and pen in my shirt pocket like "Ross", good advice. Condolences to everyone.

Deepest condolences to the family. I still remember Ross and his team delivering all that topsoil for us when I worked at Huronia Nurseries with my Dad, Milt. Later on in life I had the pleasure to work with Ross on the Policing Committee in Tiny. Ross had a huge impact on his community and will be sadly missed

I sat for 6 years on Tiny Council with Ross Hastings. Without a doubt he was a gentleman and I hold him to be an honest man, who worked hard and had a gentle nature. Our political leanings were different, he a conservative man with a very different view of what progress means. No matter. When things got tough, and I will tell you the Rowntree Beach Issue, the contaminated landfill and the restructuring issue made our political challenges very hot. When the the options got tough, he would say, things are complicaed. I would like to expand on how complicated the issue was. In the end voters probably liked neither explanation, the perils of politics! In 2011 I ran in Simcoe North for the Green Party, the day of the election Ross phoned me and wished me good luck. He knew that only good luck could help at that juncture. You can be sure I cherished that moment of human dignity. Cindy did him proud. Thanks Ross
