ELIZZABETH JUNNE TRIGGS

I am so sorry to hear the news of Lizz's passing. So true about her sense of humour and artistic skills. I have very cherished memories of our fashion show days at Pennington's. Lizz put those shows (and our outfits) together with skill and style. So much fun. I also got thinking about Lizz and Phil's wedding on the dock and boat in Midland. Another great memory to hold onto. Love to family and friends who will keep those memories alive.

Triggs you were one of a kind…I miss already. What great times we had as kids and teens in your basement hanging out. You mom always welcoming us from the kitchen table and your dad in his big lazy boy in the front room. We met in kindergarten and you joked about the fact you couldn't believe we turned 60 in September. I will cherish our 55 year friendship. My condolences to the love of your life Phil and your sister Mary Ann and Janet.

Repeating what has already been said; Triggs was one-of-a- kind, fun, sincere, and irreplaceable. I can't remember a serious moment. Our bi-annual catchups remembering the same few inside jokes that have stood the test of time, will be missed tremendously, but remembered fondly. Phil, Janet and Maryanne, take comfort in knowing how well loved she was by all who had the pleasure of knowing her. Extra love and hugs to the fur babies as well. ’
