I was so sorry to read of Tom's passing. My family lived across the road from Crowe's store and the dance hall where my brothers and their wives along with my late husband and I used to attend his dances. We loved to hear Tom's band play, and Goldie was always so good-natured with our younger crowd. Thanks for the memories, Tom, and my condolenes to all his family.

I have many memories of your dad especially at the dance hall - playing his trumpet, snapping his fingers, counting 1,2,3, & the band

starting & every one up & dancing - especially Uncle Gary (loved your dad) - fun times. Please know that your dad will be in my prayers.
