ARTHUR DAVID HAMILTON

Dear Joan, Bob, Catherine & Family We are sending our sincere sympathies in the loss of a wonderful man. I was the organist at Christ Church at the time when Art & Joan joined the congregation. Art stepped right up to the plate and became a warden. He did a great job and was very well thought of by all. Over the years I got to know Art and I will say he was such a gentleman. He will always be remembered in the Waubaushene Community. RIP my friend you will be missed.

Joan, Cathy, Bobby and family. We are saddened to hear of Art's passing. Art and I first met in 1973 and spent 3 years travelling throughout the Masonic world of Simcoe County getting to know the many leaders of our Craft. In 1976 he was elected to the rank of Dist Deputy Grand Master. I was fortunate that he appointed me as his District Secretary. We travelled to the 26 Lodges many times over the next 3 years. His leadership inspired many Masons throughout Ontario. He will never be forgotten by so many. Condolences.

My Mom Lorraine was in the same ward room at Georgian Bay General Hospital as Art for several weeks. I was inspired by the fact that

Joan was there every single day from morning until night. There is no privacy in those rooms and while my Mom slept, I could hear Joan's loving words to her husband… her sweetie. What a beautiful love story that lasted until death do us part. My deepest sympathies to Joan and her family.
