May our Lord and Saviour comfort you as you mourn the passing of our beloved Grace. She welcomed us at River of Life and she was such a faith filled and wonderful person. May she be dancing in Heaven with her Saviour and those that went before her. She will be so missed by all those whose lives she touched.

My deepest condolences to all of Grace’s family and friends □□. I had the pleasure of getting to know Grace for 1 year since moving up here. I told Grace, she reminded me of my spiritual Mom who’ve have also gone to heaven. Rejoicing for Grace as she is seeing glorious things in heaven. We miss you dear Grace, you’ve imprinted our hearts with your love, guiding us to Jesus, and you were always ready and willing to share Jesus with everyone who wanted to hear. What a legacy you are leaving for your family and us to follow! Looking forward to seeing you again in heaven once our time here is up! Until then we carry on bringing love and hope and yes praying for your lovely family for Holy Spirit to comfort them! □□□

Dear Dan, and family. You have all been very much in my thoughts since I received the sad news from Dawn last week. If it was possible, I would make the trek from Val d'Or tomorrow to be with you and to help celebrate the life of my very dear friend and neighbour. (And you know that Babs and Roy would be there too). In fact, Grace always felt more like a member of our family than a neighbour since Church in the Pines brought her into our lives. She will be missed so much, but I hope that you can take some comfort in knowing how many lives she touched, and how many of us carry 'Grace' in our hearts. I know that she would hope that the rest of us continue to try our best to help carry on good and essential work, like that carried out by Hospice Huronia. Your suggestion was duly noted. With sincere and heartfelt sympathy. Ted

Grace was a great example of what it means to follow Christ. She had a servants heart & I was Blessed to know her. She is safe in the arms of Jesus.

We are very sorry to hear of Grace's passing. She absolutely glowed with the love of Jesus .We knew someone who spent a year in the Super Jail and Grace took it upon herself to share the Gospel with him. We didn't hear the news until Saturday afternoon or we would have attended the service. Our condolences to the whole family.
