RANDY BROWN

I am so sorry to read this news. I had the pleasure of working with Randy when he was working at the arena and I was involved with Elmvale Minor Hockey. He was a great man to work with! He was always willing to go the extra mile to help. I will miss seeing his smile and catching up with him. Thinking of his family at this difficult time. RIP Randy

Frances and family, please accept my condolences on your great loss. Randy was such a nice guy and always a pleasure to chat with. His presence will forever be missed. Many years ago he discovered that I liked candy apples and from then on never failed to deliver a couple to our home. Talk about him everyday and keep his memory alive.
