Dear Jeff, Jennifer, Sandee and your families, Frank and I were saddened to hear of the passing of your Dad. He was a wonderful and caring father and you will miss him immensely. I have so many fond memories of living at your home at 17 Dashwood while I was going to college. Your Mom & Dad helped me transition from the farm to the city. You all made your home my home. Frank & I send our deepest sympathy to all of you. Cherish the memories, Love from Vera & Frank
