My sincerest condolences to the family. I worked with Billy at my dads gas BP gas station for a few years and he was always available and go out of his way to help out. I will always remember the events and laughter that accompanied his duties there. We had some fun times that everyone will remember. RIP Billy.

Our sincere condolences to Cathy and the Johnson family. Bill was a good person. We appreciate that he made homemade toys for Zechariah and brought other toys that Zechariah plays with. Bill will be missed.

Cathy and your entire family - I am so sorry to see this. I haven't known any of you for too long, but I enjoyed my visits to your home, first for your mom and then for Bill and yourself. He fought a hard battle and my deepest condolences go to you all..
