Brian you had this quiet wisdom about you that each meet during some of the family festivities was always a great pleasure. Every conversation was full of encouragement and such a positive outlook to life. You would share enthusiastic words of support. I look at your picture and I see you exactly as I last saw you, a person of immense kindness and a pillar of strength to your family. As your family and friends gather to celebrate and remember your life Brian, we will always remember you as you weathered life's storms with a quiet resilience and great strength that inspired many of us. Your spirit will live on in the countless memories shared and the lessons you taught. Your legacy of kindness, laughter, and love will continue to guide your loved ones as they will carry your memory in their hearts forever. Rest in peace, dear Brian . You will be deeply missed by many , but never forgotten.

Our sincere condolences to Brian’s family, he was one of the good ones! I can remember being at Aunt Ruth’s farm as a kid, when he would be there and the fun he shared with Cindy and I. Sometimes Doug and Larry or Bonnie would be there too. Once there was an episode of us trying to stay on a pony which caused a lot of laughter for everybody! He will be missed!

We are saddened to hear of Brian's passing. I grew up with the McGrath family on the old 2nd, not far from Baseline road. We both attended the one room school on the 2nd. He was a good friend to many with a great sense of humour. I recall his love of cars, especially his new 1966 Chevelle, which I had an number of quick rides with him. Condolences to his family. God Bless him.
