So sorry to hear that our dear Aunt Margaret has passed away. She was truly a beautiful person and reminded me every time that I saw her our own mother Dorothy. They were great friends as well as sisters. The two of them would talk on the phone for hours and hours. I now know how special that was as we all seem to just text and email these days. Hope Margaret is now reunited with her dear sisters and having a ball. ☺

Dear Kelly, Karen and family My deepest sympathy for your loss your mom was such a wonderful lady. Growing up I always remember her laugh and that smile she will be greatly missed by many. Due to the weather forecast and road conditions I'm sorry that I'm not able to attend today. You will all be in my thoughts today. Grace and I will make arrangements to see you at another time. I was so sorry to hear about her passing. I know she was loved by you all and she shared her love with us as well. I was truly blessed to have met her and to be able to spend time sharing stories about Lawrence, Nathan and a few about Ellie and Kim too. She will be missed but her memories have made a lasting impact on us all. Even little Miss Ellie.
