I am proud to have known Linda and consider myself fortunate to have been her friend. Extremely hard working and community-minded, her presence in her beloved Elmvale will be deeply missed. In particular, Linda was President of the Elmvale Lioness Lions, and drew our small but mighty group together to succeed in many local events, the most recent being the 'Sleigh Ride in the Village' . We are heartbroken. Our deepest condolences go out to Brian, daughters Kari and Marie and her beautiful grandchildren Evelyn and Harrison. With love, Jocelyn Woodcock, President, Elmvale Lioness Lions

In Loving Memory of Linda. Our family sends our deepest condolences to Linda's family during this incredibly difficult time. Her sudden passing is a profound loss for all who knew her and for the community she served so tirelessly. The bond between our daughter, Michelle, and Linda began in high school, where they shared a legacy of high academic achievement. Michelle always spoke with such admiration about how Linda's brilliant intellect seemed to come so naturally to her, a brilliance that stayed with her throughout her life. As Chairperson of Springwater Sports Heritage, I had the privilege of seeing Linda's dedication firsthand. Her support for SSH through the Springwater News was incredibly thoughtful and vital. She had a rare gift for using her platform to shine a light on local legacy and spirit, providing a level of awareness that was truly outstanding. Like everything she touched, her work for the paper and her contribution to our organization were driven by an undeniable and infectious passion. Linda's achievements were inspiring, and her commitment to Springwater was a gift to us all. She was a powerhouse of talent and heart, and she will be deeply missed by her family, her friends, and the community she helped shape. With heartfelt sympathy, the Simpson family

Linda was a friend and someone I had immense respect for. She was a community-minded leader who gave so much to our village, always standing up for what was right and never backing down, especially when it came to advocating for Elmvale. Through her work with the Springwater News, Linda showed a true commitment to keeping people informed, asking tough questions, and holding space for local voices. I greatly respected her as a business owner and publisher, and even more so as a person who cared deeply about the place she called home. Linda will be missed more than words can express, and her impact on our community will not be forgotten. My heartfelt condolences go out to the Belcourt family.

Brian, Kari, Marie, & family I was heartbroken to hear about Linda's sudden passing. It's difficult to find the right words when someone so full of life leaves us far too soon. Linda and I grew up together, and I will always remember her laughter, her competitive spirit (especially with my sister Michelle), and the way she could turn even an ordinary day into something unforgettable. Whether we were playing sports or just spending time together, she brought an energy and joy that was uniquely hers. Her positive impact will be felt for years to come, and I feel grateful to have shared so many moments with her. Please know that you're in my thoughts.
