I will always cherish the fond memories of working alongside Carol at Elmvale Veterinary Hospital, where she dedicated her time and

talent as a groomer. Her gentle touch and unwavering care for every animal spoke volumes about her compassion and love for her work. Carol had a way of making both pets and people feel at ease, and her laughter and positivity brightened even the busiest of days. She left a lasting impact, not only through her skill and professionalism but through her genuine kindness and the friendships she nurtured. Carol was more than a colleague; she was a friend whose presence made the workplace feel like family. Though she is gone far too soon, her memory will live on in the hearts of all who knew her. Rest in peace, Carol. You will be deeply missed and forever remembered.
