I have known Brad all my life and went to school with him in Montreal at LCC. I remember well the time we spent on the phone doing school homework. Each year a group of us would visit Brad in Elmvale and in Barrie .My condolences to all of his family and friends.

Have many pleasant memories of Brad as we grew up in Montreal attending LCC. Had fun playing football and even basketball where we were team mates on a school team that never won. We had a good time at the army cadet camp in Farnham. My deep condolences to his family. He was a great guy and I won't forget him.

My condolences to the family about my friend, Brad Horwood. I met him at Inniswood Baptist Church. He came to the church every Sunday and always was friendly and kind to me. I held the door open for him on Sunday mornings and he always shook my hand the best he could. Then, he would be seen eating some of those goldfish crackers that he always got from the kitchen while waiting for church to begin. He had a very simple and deep faith. A very sweet, godly man and I know that I will see him again one of these fine days in the world made New.
