I’m so sorry for your loss, Sherri.’” Thinking of you and your family during this incredibly difficult time. Your poppa sounded like such a special man, and I will truly miss hearing the stories you shared about him ” they always spoke of his character, his warmth, and the love he had for those around him. May his soul rest in peace, and may you find comfort in the beautiful memories you carry in your heart. Sending you strength and my deepest condolences.

Dear June, Susie and Donny: Please accept our deepest condolences on the lose of your dad. He was an amazing man. It was a privilege and a pleasure to know him. My parents Don and Shirley Waters were friends with your parents for years. My dad and your dad worked together for many years on the fire department. I have a picture of my dad, me and Don at my parents in Bridgenorth many years ago. One of my favorite. Sending love and hugs.
