Steve, Kim and Paul I'm so sorry for your loss. Your dad was an amazing brother-in-law. I have a picture of him helping Liz bake a cake on her easy bake oven when she was about 4 year's old. I will treasure it always. He also helped carry my new-born twins up the stairs for me and he was always so helpful and kind to me. I am so glad I was able to see and talk to him a few years ago at a family wedding. My sincere condolences.

Dear Steve, Kim and Paul. Pete and I are saddened to hear of Uncle Kinnard's passing. I have so many fond memories of our family camping trips and the time Uncle Kinnard spent teaching me how to improve my swimming skills, guiding me when learning to water ski and providing the opportunity to learn to canoe. Dear Agar family, Your dad was a terrific neighbour to us when we lived around the corner from him. Always smiling and had time for a visit when we were out walking or in the yard. May his love live on in your hearts forever. Charlie & Tanya

It is with sadness I send my condolences. I will always remember the vanilla smell of Uncle Kinnard’s pipe as he would sit at our kitchen table when I was little. He had the best boisterous laugh and I have fond memories of him sharing fishing stories with my dad. I am sure his old fishing buddy greeted him at heavens gate. Lots of love to the entire family, Uncle Kinnard will be dearly missed.
