We are very sad that our dear neighbour and friend passed away. Norm was always so pleasant and helpful to all of us at the lake. We had meaningful visits and conversations right up into the Fall. He shared great insights on property issues and life in general, always rising above to enjoy the beauty of the lake and the sunsets. Our sincere sympathy to his loving family and friends who took such good care of him. RIP from Dorothy & Joe

Dear Pam and Paul sorry to hear of your uncle Norm's passing . I worked at IGA for many years and your mom (Milly) and Norm were my regular customers. Such wonderful people it was my pleasure to serve them along with yourself and Paul. Rest in Peace Norm, say hi to Millie and give her a hug.
