Rita, Louise, Michele and Leo, Sending my sincerest sympathies to you and all your family. Your Mother was always such a warm and friendly person. She was always happy and proud to share news of you and your families. I recall many quilting 'bees' hosted at our parents home in Elmvale with the chatter and laughter of all the ladies. I am sure you have many memories to cherish. No matter how long we have our parents it never seems long enough. With warmest condolences, Theresa (Moran) Greer

To my dear cousins, How bittersweet is the passing of your dear mother. She was the last surviving sibling of an amazing family, and we will all feel the world a little colder without her in it I will always remember her for her easy laughter, and for the fact that she reminded me so much of her own mother, our mémère My heart feels heavy with this loss, and I am with you all in spirit and in love.
