WILLIAM DAVID SEYMOUR CAMPBELL

Marg, Jen and Tim, Bob and I were shocked and very sorry to hear about Dave. Our families both were raised in longtime traditional hardware stores. Dave's mom, Jean was our very first visitor on the very day we moved to Elmvale. Dave will be missed by so many. Marg and Bob.

Our heartfelt condolences Marg, Jen, Tim, Lisa, Tili and Violet. Dave was a truly remarkable man whose warmth, kindness and positivity touched everyone around him. He had a gift for making people feel seen and valued. I'll always remember the way he made me feel special and unique whenever our paths crossed. Saying goodbye to a parent/papa is one of life's deepest heartbreaks, and I hope you find comfort in the memories & the amazing pictures Lisa you took that will always stay close. The stories, the laughter, the small moments of kindness, those are the pieces of Dave that will continue to shine through each of you. Wishing you all comfort, strength and peace as you honor Dave and celebrate a truly remarkable life. Hugs Kari Lou & John

To the special Campbell Family, With Dave's passing, I've been reflecting on our long friendship"from the endless hours shooting basketball hoops, testing our patient teachers, and celebrating hockey championships, to our many "summits" at the hardware store. Dave had a rare gift; you'd go into the store looking for a specific part, and you'd leave with the best replacement, a great story (or two or three), and a warm heart. From the successful high school and Juvenile hockey reunions, he and Margie helped organize, to the simple daily interactions that made our family and our town feel at home, Dave was a constant. He was an individual who knew exactly how to balance serious work and play with light-hearted joy. Our community is a better place because of the Campbells, and Dave was the gold standard of that legacy. With the recent loss of our family leader Luella, Dave and family proved once again their true friendship and caring by being among the first at our door, even while Dave was dealing with his own health issues. That meant the world to us. With deepest sympathy to his wonderful family for the strength of their friendship, and many fond memories, Larry Simpson and family

Dear Marg, Barb and families, We send our deepest condolences on the loss of Dave. We remember well growing up as neighbours to Bill and Jean and family. Great neighbours! Barb was a little closer in age to us. Yes, we, also won't forget those well worn wooden floors of the hardware. Dave, I saw often at the curling club and I, Janice, am still curling. Although, I have been out west for many years I always stopped by the hardware to chat with Dave and Marg on my visits home. My dad, Ivison Spring, barber, shared a business on the main street with them as well as our grandfather, Howard Spring with his electonics shop when Bill and Jean were there, too. You are blessed to have had such a nice man in your lives. May God comfort each of you and give you peace. Sending hugs, Janice, Owen and Kevin Spring
