VALERIE JOYCE LENT

Rest in Peace Auntie Val, your love and memory will live in our hearts forever. Now you can meet up with your best friend Joan. The original Lucy and Ethel team as Uncle Bruce used to call them. A special message sent with love and remembrance of your Mom to Donna, Michael and family. Love April, Rob, Christopher, Jennifer, Ruben, Joulia and the grandkids.

Donna and family, Deepest sympathies on the passing of mom..no know it's been hard, but the time and care you have given her is a true gift. Cherish all the memories. My thoughts are with you all.
